

WHAT IS DIRT DEVIL® CV1500?

Cleaner, Healthier On-the-Road Living

- **POWERFUL CLEANING PERFORMANCE**

The powerful motor in the Dirt Devil® CV1500 delivers up to 5 times the power of uprights, so it:

- Cleans more deeply in less time
- Picks up objects most sweepers can't budge
- Easily removes pet hair from upholstery and carpets.

- **HEALTHIER LIVING**

Dirt Devil® removes 100% of all vacuumed dirt, debris and allergens from your living space, traps them in a HEPA filter, and keeps them from recirculating back into the air you breathe – great news for allergy or asthma sufferers!

- **CONVENIENT & LIGHTWEIGHT**

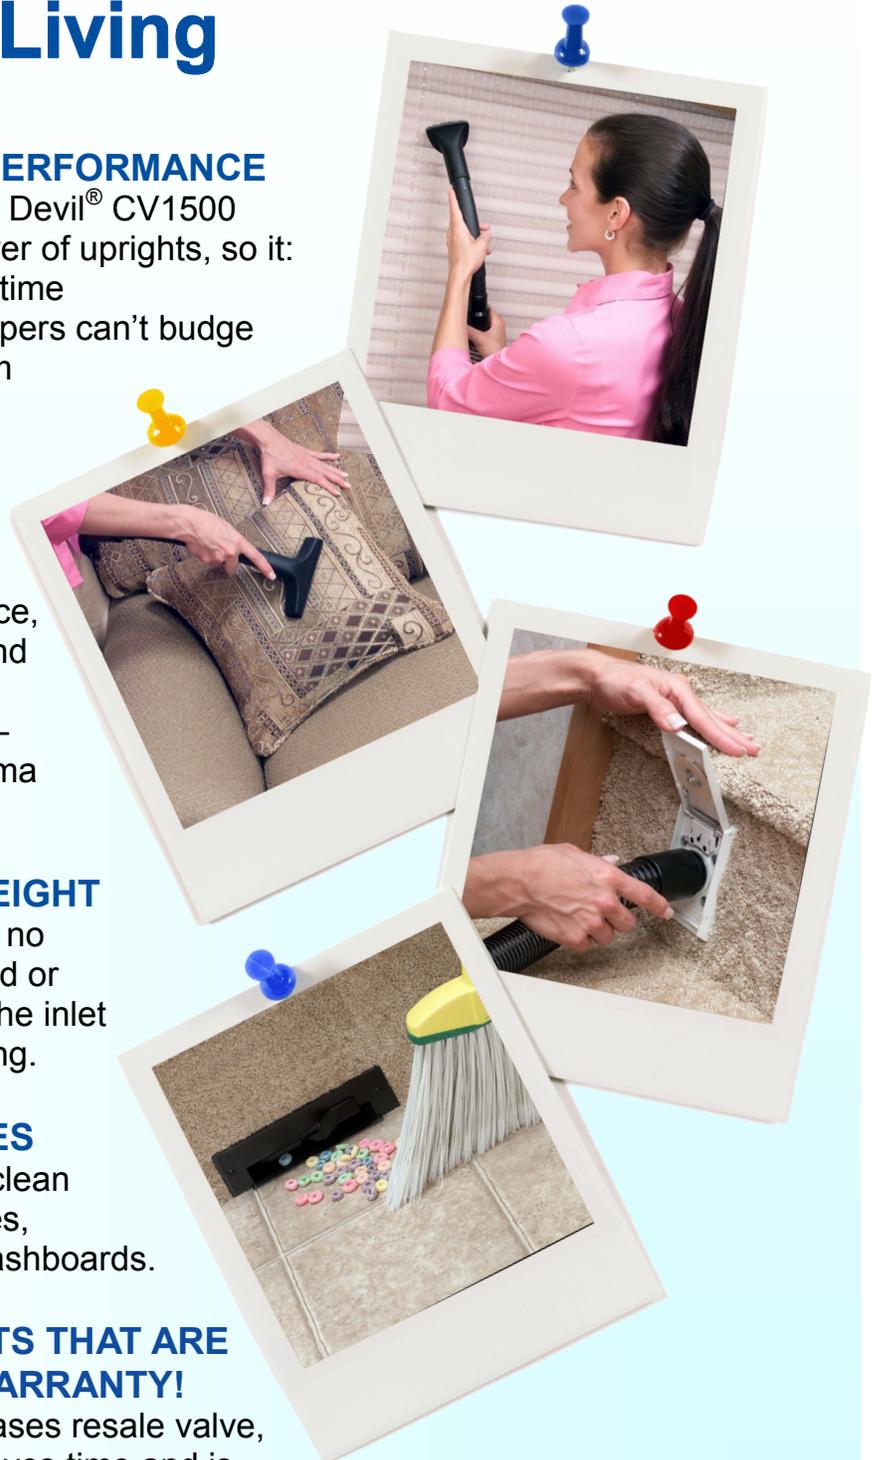

With a built-in system, there's no heavy equipment to lug around or store, just plug the hose into the inlet valve for fast and easy cleaning.

- **VERSATILE ACCESSORIES**

Accessories are designed to clean all interior furnishings, surfaces, floorings and even intricate dashboards.

- **HIGH-QUALITY PRODUCTS THAT ARE BACKED BY A 5-YEAR WARRANTY!**

The Dirt Devil® CV1500 increases resale value, improves indoor air quality, saves time and is backed by the industry's best warranty.

WHAT IS DIRT DEVIL® CV1500?

Dirt Devil® CV1500 Central Vacuum System

Our built-in central vacuum systems are designed to keep RV travel clean, comfortable and uncluttered. Combined with a space-saving cleaning tool kit that easily fits in a single drawer, Dirt Devil®

Central Vacuums make the most of valuable cabin space while making it easy to clean every surface in your RV – all floorings, carpets, rugs, furniture, window treatments, cabinets, dashboards, and hard-to-reach areas.

The Dirt Devil® CV1500, with HEPA bag filtration, eliminates 100% of all vacuumed dirt and debris from your living space, leaving your RV cleaner and healthier with no recirculation of dust and vacuum odors. This is great news for those suffering from allergies, asthma, or other breathing ailments. It's also more powerful, quieter, less bulky to store and lighter weight to use than a standard upright.

Dirt Devil® Central Vacuums help simplify on-the-road living, so you have more time to enjoy your traveling adventures and destinations!

MARKETING MATERIALS

DIRT DEVIL® CV1500 SELL SHEET

This full-color, 2-sided, 8.5" x 11" Sell Sheet shows and describes the popular features and benefits of Dirt Devil® CV1500 All-in-One Central Vacuum Cleaning System. Makes Dirt Devil® the obvious choice for a space-saving, powerful, convenient cleaning system.

Part #: RV-654-DD

Available in Packages of: 25

Motor has a thermal protector and automatically resets when cooled.			

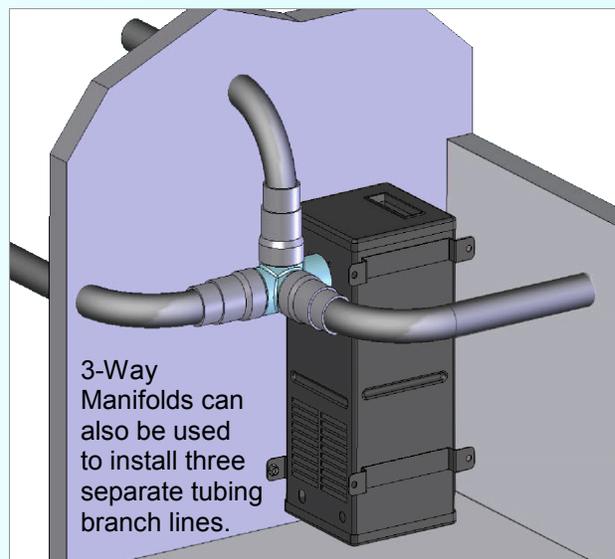

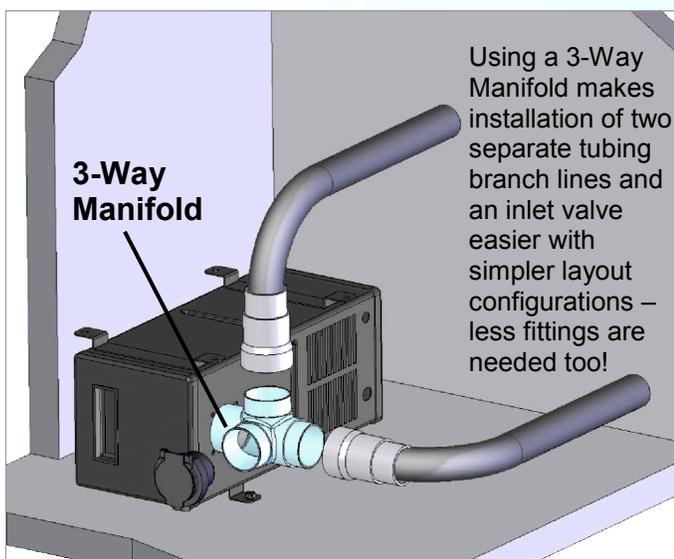

INSTALLATION

Quick and Easy Installation

The compact (6.25" x 7" x 14.5"), lightweight (14 pounds), 120-volt CV1500 power unit is quick and easy to install in a space as small as 10" x 20" – perfect for installing under seats, inside closets or in storage compartments. Using the mounting brackets already attached to either side of the power unit, the CV1500 can be top or bottom mounted, and installed horizontally or vertically. The power unit and inlet valve can also be installed up to five feet apart using an optional Flex Connector Kit.

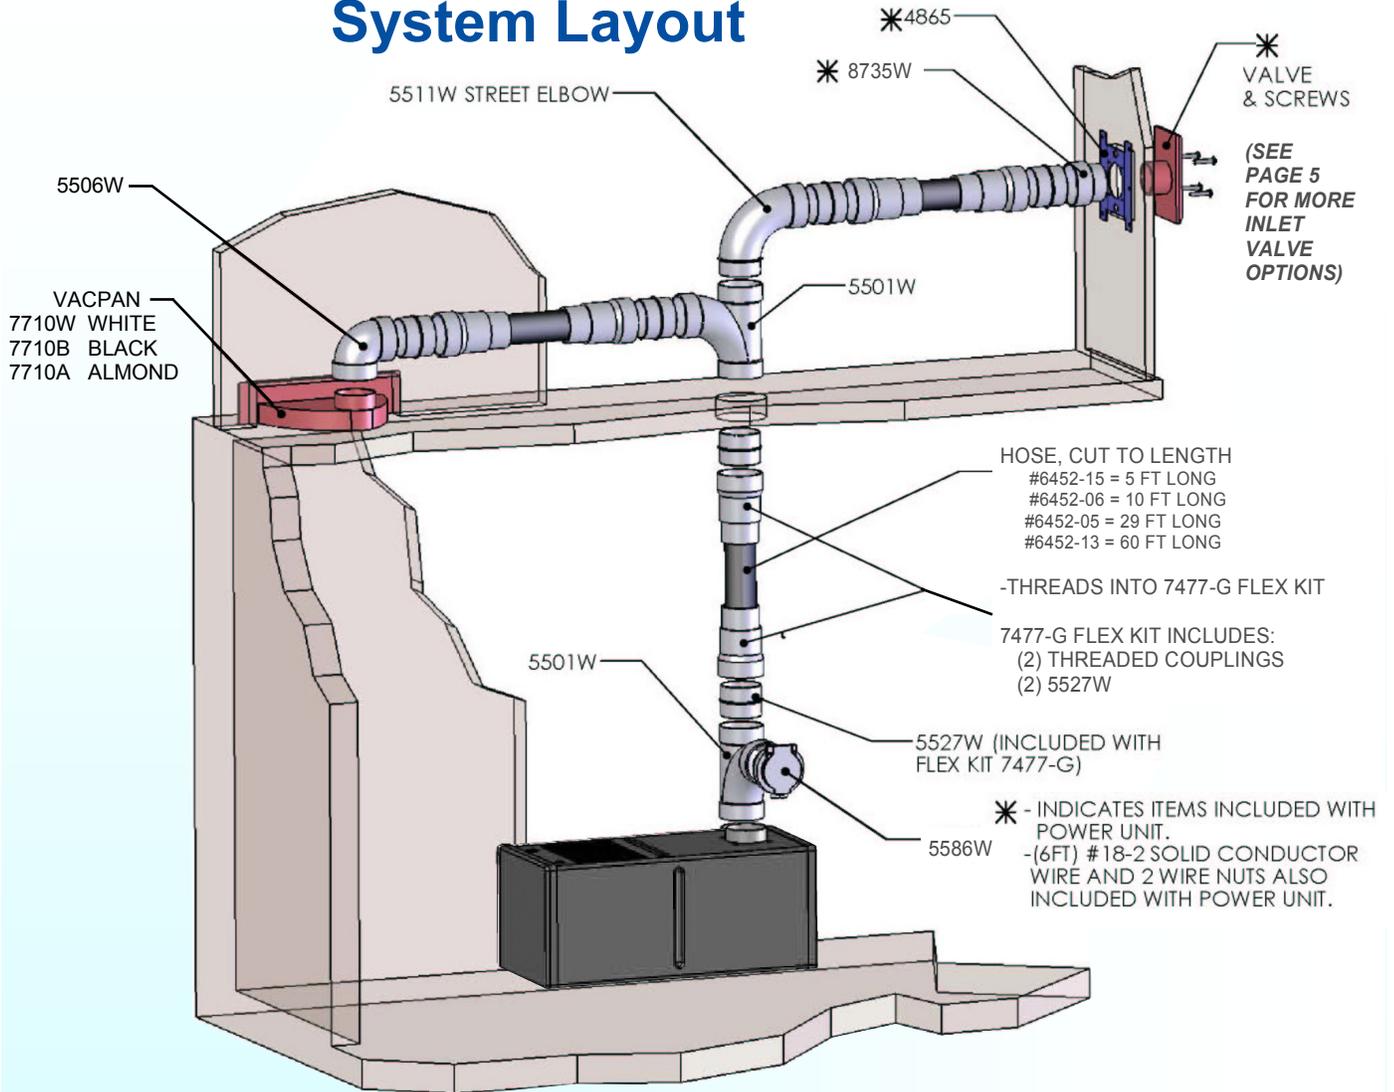

Sample Layouts Using 3-Way Manifold (#8727)

INSTALLATION

Dirt Devil® CV1500 Central Vacuum System Layout

ADDITIONAL ACCESSORIES:

- | | |
|--------------------|---|
| 5149 - WIRE NUTS | 5148-6 - #18-2 SOLID CONDUCTOR WIRE (6 FT) |
| 5038 - PVC SOLVENT | 5148-14 - #18-2 SOLID CONDUCTOR WIRE (14FT) |
| | 5139W - #18-2 SOLID CONDUCTOR WIRE (100 FT) SPOOL |
| | 5018W - VALVE STEM EXTENSION USED FOR THICK WALLS |
